PROFILE

Junior Front-End Developer with a strong background in web education, user support, and digital communication.

Experience working with HTML, CSS, JavaScript, React, and Next.js, as well as collaborating on real-world projects in educational and non-profit environments. Known for being organized, proactive, and a fast learner, with strong communication skills and a human-centered approach to technology.

WORK EXPERIENCE

WEB DEVELOPMENT TUTOR – CODERHOUSE (ARG)

DEC 2020 - FEB 2023

- Guided beginner students through web development fundamentals (HTML, CSS, responsive design).
- Reviewed and corrected student code, identifying errors and suggesting improvements.
- Provided personalized follow-up and academic support to ensure consistent progress.
- Answered technical, platform-related, and course questions in real time and asynchronously.
- Assisted students in developing and presenting a fully responsive website as a final project within a 2.5-month timeline.
- Occasionally prepared class materials and explanations to clarify complex concepts.
- Offered motivational and emotional support throughout the learning process.

CASHIER/CUSTOMER SERVICE – KEYSTONE RESORT (USA)

DEC 2021 - APRIL 2022

- Managed cash register operations, refunds, and restocking.
- Acted as main point of contact for resolving checkout-related issues.
- Assisted coworkers in handling customer service situations.
- Recognized for efficiency, reliability, and problem-solving skills.
- Used bilingual communication (Spanish–English) in a fast-paced environment.

VOLUNTEER EXPERIENCE

SPORTS EVENTS (FR)

JUN 2024 - PRESENT

- Volunteer guide and route marshal for running events, including 24H Saint Pierre.
- Provided orientation and ensured participants followed correct routes.
- Selected again for upcoming editions and applied for organizational roles beyond signalization.

SECOURS CATHOLIQUE (FR)

SEP 2025 - PRESENT

- Regular volunteer across multiple community programs.
- Communication team member:
  - Create and publish content for the organization's website.
  - Manage and update the Facebook page.
  - Participate in launching and developing the Instagram account.
  - Design visual content, record videos, and assist with basic reel editing.
- Community support roles:
  - Serve breakfast and manage daily logistics.
  - Register individuals for shower access and organize service flow.
- Women's support program (Accueil des Femmes):
  - Support women in vulnerable situations.
- Act as French–Spanish interpreter between staff and beneficiaries.
- Internal Digitalization Project
  - Co-developing an internal application to manage shower access and user history.
  - Migrating records from a paper-based system to a digital solution.
  - Collaborating on application structure, logic, and server setup.
  - Improving data organization, traceability, and operational efficiency.
